**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a customer of Dominion Energy. Two years ago my wife and I spent a considerable amount of money to install solar panels on our roof. We've been very pleased with the money we have saved and with the amount of energy we have not had to purchase from SCE&G and now from Dominion. We're very grateful that the SC General Assembly encouraged us to install those panels by providing generous tax credits.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

Dominion Energy has asked the PSC to allow it to, as former SC Representative Peter McCoy wrote in the Post and Courier of 3-21-2021, "dramatically increase charges and reduce energy credits to rooftop solar customers."

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***
